[YOUR HANDYMAN BUSINESS]

HANDYMAN TO-DO LIST

Every small job in the house, one line each — written before the visit, so one trip clears the list

NAME AND PHONE _____

ADDRESS _____

BEST DAYS AND TIMES _____

PARKING, GATE CODE, PETS _____

One line per job. Measure it, photograph it and buy nothing yet — the handyman will say which part. Send the photos with the list, and the visit can be priced before anyone drives over.
